

Take the Teaching-Learning Experience to a Whole Different Level with RNEC

Renaissance Nursing Education Consultants (RNEC)

Dr. Valarie Thomas, RN, MSN, CNE, CMSRN

CEO & Founder

About the Founder-Valarie Thomas

Her students described her as “knowledgeable, fun, energetic, and engaging. In fact, one student said, “Dr. Thomas is phenomenal!” I started RNEC because I believe all educators have the potential to be PHENOMENAL with the right information. RNEC has those skills and knowledge needed so your students will love your classroom too!

RNEC’s founder has been a registered nurse for over 28 years with a strong level of clinical experience in medical surgical nursing, critical care (CCU and ICU) nursing, and emergency nursing as well as a certified nurse educator at the collegiate level since 2012. She works along with her team as an independent education consultant helping to develop other educators on leveraging what they have and inventing new ideas to create a fun and impactful learning environment at the collegiate level to engage students and impact learning for a lifetime.

Mission

Support excellence in the scholarship of teaching and learning for nursing faculty.

Vision

To become universally valued and recognized by improving the teaching experience for both students and educators through engaged learning.
